McPherson County Extension Office
600 W. Woodside St.
McPherson, Kansas 67460
(620) 241-1523

K-State Research and Extension is an equal opportunity employer and provider.

Version 1.0 • September 2022

Through a partnership and collaborative program, we offer a wide variety of character, occasion, and functional cake pans for rent. Have a kid's birthday party or special event coming up that you want a specific cake pan, check with us to see if we have what you are looking for to rent before you buy.

1. **All pans are rented at the fee of \$2.00 for three (3) business days**, paid at the time of acquisition.
2. All pans must be returned clean, with the printed instruction sheet and colored illustration sheet.
3. Pans clean up easily with soap and warm water. **Please do not use any abrasive cleaner or steel wool pads.**

Dillons and Wal-Mart stock some Wilton Cake Decorating Products. We suggest checking these sources for the necessary tips and colors to complete your cake.

If you wish to donate pans to our service, or have any questions or suggestions, please call the Extension Office at (620) 241-1523. All proceeds from this project stay within the service and will be used to increase our supply and variety of pans and accessories. Thank you again and "Happy Baking".
